

# Northwest Winterfest

## Pick a Flower Sponsorship

The 2021 2022 Northwest Winterfest will feature 10 gigantic lighted lantern flowers in huge pots, placed all around the lighted lantern display. Each Flower will have a Northwest Sponsor! This year, Northwest Winterfest is expanding, hosting two events for twice the fun this winter. Hand made lanterns will be on display November 26 to January 2 in Spokane Valley and February 10 to March 20 in Tri Cities. We are expecting attendance of over 50,000 guests in the Spokane Valley and over 40,000 guests in the Tri Cities.

What you will receive as the sponsor of One Northwest Winterfest Flower:

- Your logo on the Flower page of the Northwest Winterfest website with a link to your website (\$500 value).
- Tagged in 10 organic social media posts promoting your Flower (\$500 value).
- Your company will receive 2 adult access tickets, valid for any day, for each of the Northwest Winterfest Festivals (4 total tickets) (\$100 value).
- Your company will secure first right of refusal to be a Flower sponsor in 2022 2023.
